ASX/Media Announcement

Sale of Gold Deposits for \$8 million - Update

On the 13 March 2012, Pioneer Resources Limited announced that it had entered into a conditional agreement with Carrick Gold Limited (ASX:CRK) for the sale of the western Mt Jewell Project tenements, including the Tregurtha and Hughes Gold Deposits, for a total consideration of \$8 million.

The transaction is conditional on the Company receiving shareholder approval which will be sought at a General Meeting which is scheduled for 18th May 2012. Given the value and the significance of the transaction to its shareholders, the Pioneer Board believes this to be an appropriate step to take as a matter of good corporate governance.

Today, Pioneer released a webcast presentation which provides more information about the transaction and elaborates on where our exploration endeavours will now be focussed.
